

The placement drive (2017-18) of IIT Mandi successfully completed with 86% of the registered undergraduate students placed and 58 companies taking part in our campus placement drive. The major companies and organizations that have visited the campus for placement and internship include Goldman Sachs, Amazon, Directi, D E Shaw, Samsung Delhi, Oyorooms, TCS Research, Siemens, Capgemini, Internet Academy, Vehant, Finisar, L&T, L&T ECC, Infosys, Cognizant, Wipro, Leptonmaps, Truring, Timetooth, Accenture, Reliance Jio, and KisanHub. Also, PSUs like ISRO and HPCL visited our campus to pick students. Beginning with the first batch that graduated in 2013, the profile of the companies visiting the campus for internships and placements, and packages offered have been continuously improving. Several of the remaining undergraduate students are planning to go for higher studies or pursue other career options after graduating from IIT Mandi.
