SUMMER PLACEMENTS

Summer Internship

The students of DoMS IIT Roorkee do their summer internships at the end of their first year. The duration of the internship is for a period of 8-10 weeks during which the students are exposed to the real life scenarios of the dynamic corporate world. This enriching exposure provides students with a perspective as to what they would face in their careers once they step out of the school portal.

Summer Placements

Companies are invited to offer summer internships at the end of first year. The summer placement process takes place in the month of November. Confidential feedback are sought from the companies on the students' performance at their organizations and the value added to their organization.
